

BIBB COUNTY SCHOOL DISTRICT

STRENGTH OF CHARACTER AND COLLEGE OR CAREER READY

Show Up for Staff

Three pillars

- Attendance-Staff thrive when they report to work; participate in professional learning sessions, and meetings.
- Professional Development- Staff thrive with proper resources to continually develop their skills and techniques.
- Wellness- Staff thrive when provided with the necessary internal (school or district provided) external (community) support to be emotionally ready to receive students for learning.

 Attendance	 Professional Development Academics	 Wellness
<ul style="list-style-type: none">✓ I will report to work daily.✓ I engage in district-led professional learning opportunities.✓ I will attend and fully engage in staff meetings.	<ul style="list-style-type: none">✓ I will engage in tiered school-based professional learning opportunities.✓ I will seek and engage in external professional learning.✓ I will collaborate with other teachers and staff by exploring model classrooms in order to improve instructional delivery.✓ I will seek best strategies to teach successfully bell-to-bell.✓ I will create a welcoming and engaging learning environment for my students.✓ I will lead and support best strategies so that teachers can teach bell to bell.	<ul style="list-style-type: none">✓ I will positively engage in school activities.✓ I will identify a “buddy” teacher that I can positively connect and reflect.✓ I will engage in social emotional learning activities.✓ I will make healthy choices to support my physical and emotional well-being.✓ I will participate in stress relieving activities.
